DPS-3076

13 August 1958

MEMORANDUM FOR:

Security Officer, DPS/DCI

SUBJECT

CORONA Clearances for ARPA Secretary

25X1A

1. At the present time no secretary in ARPA is cleared for Project CORONA. Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared for and Mr. Bissell has approved having one secretary cleared for and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared and Mr. Bissell has approved having one secretary cleared having one secretary cle

25X1A

2. I would suggest that the Security Officer who briefs her, outline correspondence procedures that are required for all CORONA correspondence and give her a supply of the Blue cover sheets. They should probably set up their own CORONA control numbers for documents originating within ARPA but it should be clearly explained to her that a CORONA clearance is necessary to have access to these documents and that they may not be passed through regular registries.
